Better	20 Visits	\$260 / \$13 per	\$13	\$440 / \$22 per	\$22
Best	30 Visits	\$360 / \$12 per	\$12	\$630 / \$21 per	\$21

Practice Facility access is limited to one hour. Regular Tee time bookings and Golf Academy programs will also have access to the facility; therefore, sometimes access may be restricted.

This offer is built around your time and availability. While you have access to practice on the day you play, this wonderful feature will allow you even more advantages as a Brunello patron, for days you are not playing.

The practice facility offers a little bit of everything and was designed to take advantage of the features our golfers will experience on the course itself. The large teeing area will feature two playing surfaces to ensure play can be accommodated in all conditions with 6 target greens for golfers to aim at and a short game facility that rivals any in the Halifax area.

The short game area features a 10,000 square foot putting green which allows golfers to practice a wide variety of putts. Also featured is chipping fairways that allow players to work on shots up you will experience on the course. The sand bunker will also accommodate multiple players.

Payment due at time of purchase. Please check one - HST extra:
